## Fairbanks North Star Borough **Comprehensive Economic Development Strategy (CEDS) Update**

February 2022

Our world is changing. We are updating the FNSB's 2016 economic development strategy to respond to change and prepare for the future.

### What does FNSB look like today?

#### LOCATION

- Over 7,000 square miles – Alaska's 2<sup>nd</sup> largest borough
- Northern location presents Arctic opportunities

#### ECONOMIC HUB

- The region offers healthcare, jobs, education, and retail services, supporting over 40 Interior Alaska communities

#### EMPLOYMENT

- Higher concentrations of military, mining, utilities, and civilian government employment than the U.S. overall

#### EDUCATION

- Nearly 1/3 of residents have a bachelor's degree or higher
- Home to the University of Alaska Fairbanks

#### PEOPLE

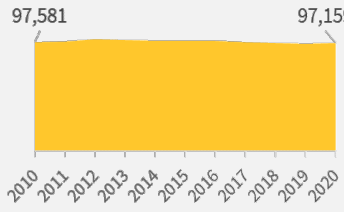

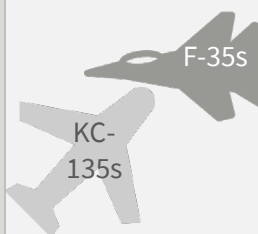

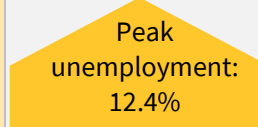

- More transitory than the state overall, with over 15,000 people moving into or out of the Borough annually

#### COST OF LIVING

- A higher cost of living than the U.S. average
- Slightly higher than Anchorage

### What factors are impacting the FNSB economy?

<b>Population</b> 	<ul style="list-style-type: none"><li>• Experienced rapid growth between 1950 and 2010.</li><li>• Since 2010, population has remained steady.</li><li>• While population has stayed flat, high numbers of residents migrate into and out of FNSB every year.</li></ul>	<ul style="list-style-type: none"><li>• The arrival of F-35 fighter jets at Eielson Air Force Base (EAFB) is bringing over 3,000 new residents.</li><li>• EAFB will also see 4 additional KC-135 tankers and up to 220 new personnel.</li><li>• Many military households remain in FNSB after discharge; 12% of businesses are veteran owned.</li></ul>	<b>Military</b> 
<b>State Finances</b> 	<ul style="list-style-type: none"><li>• The State of Alaska lacks a comprehensive fiscal plan.</li><li>• Over the past several years there have been deep cuts to UAF and local municipalities.</li></ul>	<ul style="list-style-type: none"><li>• Unemployment rate reached a high of 12.4% in April 2020.</li><li>• Leisure &amp; Hospitality saw the greatest pandemic-induced employment declines (loss of 1,600 jobs from 2019 to 2020).</li></ul>	<b>Pandemic</b> 
<b>Workforce</b> 	<ul style="list-style-type: none"><li>• FNSB has a higher labor force participation rate (72%) than the state average, and a low unemployment rate compared with other Alaska regions.</li></ul>	<ul style="list-style-type: none"><li>• Incoming EAFB personnel need housing.</li><li>• FNSB saw an increase in new housing construction from 2017-2020 but progress has slowed due to multiple factors including high lumber costs. The community is working together to meet the need.</li></ul>	<b>Housing</b> New construction needed:  ~100 units
